

Wardour Chapel (SP3 6RH) will be open to visitors on Easter Saturday April 27th between 10.00 and noon. The chapel is usually only open for regular services or to previously booked groups. Such visits do not include the crypt.

The **Chapel** is a Grade 1 listed building, very ornate and of historic significance, so very expensive to restore and maintain. On this occasion visitors will want to make a donation towards its restoration on entering.

The **Crypt** will be possible to (a donation of £10.00 per person is suggested). As the crypt is private, this is a very rare opportunity. Please note: it is accessed by steep stairs with few handholds - a steward may refuse access to anyone thought to present a risk.
